Product Manager

Your Job

- You are responsible to develop excellent business networking platforms & communities for a lively information and knowledge exchange
- You are developing sophisticated conferences and services for executives in Europe & US
- You are responsible for researching current economic issues, prepare these and acquire appropriate speakers and thought leaders
- You are working on marketing and sales campaigns to drive success of your products
- You are responsible for projects and redirecting & steer independently and purposefully your conference pipeline as well as the respective project teams
- You are a competent partner for your customers and for your business communities
- You develop your own product portfolio in the long term

Your Profile

- You have a degree in Social Sciences, Business Administration, Communication Sciences
- You think quickly and analytically and you are able to research complex topics short time
- You work purposeful, reliable and solution-oriented and you have more than organizational strength and profit-oriented action
- You have profound knowledge to work in project cycles and in campaigns
- You like to research exciting topics from business and science
- You're safe in dealing and communicating with senior executives
- You work like in a commercial environment and can cope with numbers
- You have more than secure language skills in English
- You have ideally some professional experience in the conferencing industry or in similar areas

Our Offer

- A company that has been voted as one of the Top 10 workplaces in Berlin
- An amazing company culture and exposure to partners both domestic and international
- An incredibly international team with more than 70+ passionate people from 15+ countries in two of the coolest cities on Earth, Berlin and London, that challenges you all the time to find the best possible solution
- An opportunity to shape the development of the event portfolio and the actual industry
- Events that bring together the highest level of the most interesting people
- Challenging position at the global leader in a rapidly growing industry
- Future career opportunities related to our company expansion
- Competitive salary package, including base salary and commission

If you know that

- You have all these abilities and the job fits your profile
 - You want to be part of our team
 - You want to take care of our products with full power and passion
- we would love to hear from you. Send us your complete application including your salary expectations via email to: wepeople@we-conect.com**

Be responsible for the product development of our UK events and contribute your part to successful events & satisfied customers.
